

# PRAYER & PLANNING

BLWCM Weekly Meeting Outline

October Week 1

## PRAYER THEMES

- Thank the Lord for a successful month of September; the month of grace. Thank him for the abundance of testimonies in our families, in academic work, in ministry, in finances and more.
- We are a people of prophecy; Begin to prophesy concerning the month of October. Declare words of power staring up your great faith for your new goals and targets. Create pictures of a successful month of October.
- Pray concerning lost souls on your campus; declare that they receive faith to believe our gospel that they come to the saving knowledge of Jesus Christ.
- Pray concerning all BLW Outreaches for the month of October; that there will be an increased harvest of young people participating in the BLW vision for all evangelistic efforts. Declare that we have all resources required for epoch making outreaches across all our BLW colleges.
- Pray concerning the influence of our ministry materials on campus; declare that through our books and messages in all formats we give a new culture the Christ mindset to the people of our generation.
