

MEETING OUTLINE- SEPTEMBER WEEK 2

Our man of God Pastor Chris during the communion service told us that this month of September is the month of more grace.

What is grace?

Grace is a divine influence in the heart that reveals itself on the outside causing a man to have God's definition of success in every endeavor. It is the outworking of an inward influence.

We have operated at a certain level of grace throughout this year and regardless of what we have achieved, the Spirit of God tells us "you have more grace"! Glory to God! This means God's grace is now available to accomplish what had hitherto been difficult. From this month we have more grace in finances, more grace in your intellect, more grace in your utterance. It's more grace for more results.

Grace produces acceptability, it gives you the

advantage, it beautifies your Spirit, it brings you favor and Joy.

LET'S TALK ABOUT ...

1. What is grace?
2. How do I function in this grace?
3. Can grace be seen?

Who, when he came, and had seen the grace of God, was glad, and exhorted them all, that with purpose of heart they would cleave unto the Lord.

4. What's your expectation in line with the word for this month?

Acts 11:23
