

BLW Campus Ministry – Texas Region

September Outreach Guideline

*This is a basic guideline on how to conduct your Rhema Lounge Outreach

Required Components

Opening Prayer

In everything we do, it is important to start with prayer. This gives the Holy Spirit total utterance over our meeting, and that we recognize his presence in our midst.

Games/Icebreakers

This part should be well planned out and timed. Pick interesting games that allow your attendees to feel comfortable with one another. However, do not get carried away and just play 'games' the entire meeting. Below are a few examples to help you start brainstorming. Type any of these icebreakers into google to get exact instructions on how to play. (HINT: We played the first 2 games at the Fire for Your Future Rhema Lounge)

- Chair Swap
- Charades
- Honey I love you, but I just can't smile
- Human Knot
- Concentration

Interactive Q&A

You can do this several different ways. You may have your attendees write down questions as they walk in, and have a segment later on in the program where the questions are answered. Or perhaps, have a group discussion, where people ask and then you answer. Whichever route you choose, ensure each answer is backed up with scriptural evidence, and aligns with our vision.

Movie

Pick a movie that is biblically relevant, and make sure you get it approved by the Secretariat before screening. Also, during this time, refreshments should be served.

Alter Call

Give your attendees the opportunity to get born again or receive the infilling of the Holy Ghost.
